# VOLT® Low Voltage Landscape Lighting

## VOLT® Salty Dog Brass MR16 Underwater Light- VUL-704

### PRODUCT DESCRIPTION

Experience the VOLT difference with this 3-in-1 light that can be used underwater, on-land, or as a well light without the mount.

Versatility at its finest, this fixture is completely waterproof with a pressure-fit gasket and newly designed wire glands to ensure that water cannot get into the fixture from one of the most common points of failure. Don't limit yourself to just underwater use, this light is designed with efficient heat dissipation for use on land. Illuminate your walkways, gardens, or architectural features effortlessly. Finally, easily transform this fixture into a well light by omitting the mount and converting this light into the ultimate uplighting solution for columns, trees, walls, and more. Customize your lighting to suit your landscaping needs.

### PRODUCT DIMENSIONS

### FEATURES & BENEFITS

- Cold forged brass faceplate with pressure fit gasket (must be tightened in a star pattern) to guarantee complete waterproofing.
- Water tight wire glands ensure water cannot get inside the fixture.
- Extra heavy brass mount for stability.
- Efficient heat dissipation.
- This fixture can be used fully submersed in water or on land.
- Raised lens to prevent water from puddling.
