VOLT® Low Voltage Landscape Lighting

VOLT® Salty Dog MR11 Brass In-Grade Light - VWL-7120-4-PBK

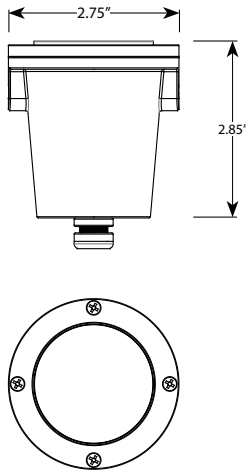

PRODUCT DESCRIPTION

Designed with versatility and durability in mind, the Salty Dog MR11 In-Grade Light offers a low-profile solution for illuminating bushes, small trees, columns, accentuating pathways, driveways, or even being installed in steps. The adjustable internal gimbal allows you to align the direction of the bulb to cast a subtle yet captivating illumination in your landscape.

Engineered for resilience, this in-grade light boasts a completely water-tight design that allows it to be fully submersed. The pre-aged bronze finish on top is destined to develop a beautiful patina over time, adding a touch of classic charm to your outdoor setting.

PRODUCT DIMENSIONS
