VOLT® Low Voltage Landscape Lighting

VOLT® - Salty Dog MR11 Well Light - VWL-7121-BBZ

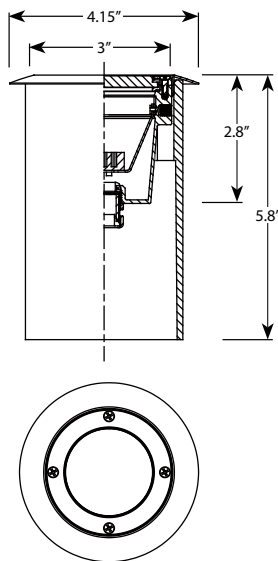

PRODUCT DESCRIPTION

Featuring a solid brass top with a pre-aged bronze finish, the Salty Dog MR11 Brass Well Light comes with a PVC sleeve with a matching lip for added visual appeal, ensuring a seamless blend of durability and aesthetics that gracefully matures over time.

Designed with a completely water-tight and submersible design, plus the added protection from the PVC sleeve, this well light is built to withstand the elements for years to come. An adjustable internal gimbal and customizable glare guards (sold separately) give an added personalization that is perfect for illuminating trees, beams, columns, walls, accentuating pathways and driveways.
