# VOLT® Low Voltage Landscape Lighting

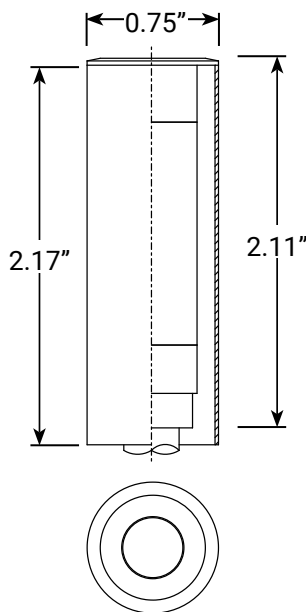

## VOLT® Nano Integrated LED Brass Well Light- VWL-7127

### PRODUCT DESCRIPTION

This ultra-compact, low-profile well light disappears into planters and landscapes while delivering a surprising 80 lumens of warm white light. The Nano well light boasts a waterproof (IP68) rating, making it virtually indestructible against the elements. Plus, it features a precise 35° beam angle, perfect for uplighting a variety of features. Crafted with solid brass and finished with a pre-aged bronze this well light was crafted with durability in mind.

### PRODUCT DIMENSIONS
