

# VOLT® Low Voltage Lighting Uni-Directional Bi-Pin- GU4-UD20-XX

## Product Description

The uni-directional flat design of our LED GU4 BiPin is specifically designed for fixtures that allow for directional G4 BiPin bulbs. These flat bulbs are designed for more efficient light disbursement. The directional design sends light out forward as opposed to the common omni directional GU4 lamps. This LED bulb is a currently compatible with: VOLT® Cast Brass Round Wall Wash, and the VOLT® Elevator Cast Brass Path and Flood Light.
