VOLT® Low Voltage Lighting 6" Rotatable Undercover Hardscape- VHS-6720-X-BBZ

Product Description

The VOLT® 6" Rotatable Undercover Hardscape light is truly a one-of-a-kind pro-grade, quality landscape lighting fixture. With its rotatable capability, this fixture has an endless number of applications, including: railings, retaining walls, counter tops (for outdoor kitchens) and even property walls/fences. These luminaires are constructed of high quality solid cast brass, with premium internal components as well. This fixture is completely sealed to protect from moisture and the environment. The frosted lens provides for a beautifully even, soft light that complements any application.

Product Dimensions
